

For many years now, WinGS has sponsored two families for the Lutheran Social Services of Indiana Christmas Project and our members have generously contributed gifts and food to the families. This project helps the mission of LSSI to express the love of Jesus for all people and empower individuals and families to move toward social, emotional and spiritual wholeness. Again this year, due to Covid-19, LSSI has revamped the project for the protection of everyone.

As usual, a Christmas tree holding tags with requested gift items will be set up in the narthex starting Sunday, November 27. There will be two different types of tags:

- The majority of tags will list the requested gift and any other pertinent information. Gift items **must be purchased using a link on the LSSI website: www.lssin.org/christmas**. These items will be shipped directly to LSSI. (The LSSI address will show on the Amazon website.) Gifts should be ordered by **December 5** and do not need to be wrapped.
- The other tags will list a \$25 gift card from Walmart. Those can be purchased and then dropped off at the church office no later than **December 5**.
