PASTOR'S MESSAGE

By Pastor Kevin Mann

The next day he saw Jesus coming toward him, and said, "Behold, the Lamb of God, who takes away the sin of the world!" (John 1:29 ESV).

⁸Though you have not seen him, you love him. Though you do not now see him, you believe in him and rejoice with joy that is inexpressible and filled with glory, ⁹obtaining the outcome of your faith, the salvation of your souls (1 Peter 1:8-9 ESV).

Dear Friends in Christ:

Paul's words in 1 Peter 1:8-9 bring to conclusion the opening of his first epistle. Peter states clearly that through the love we have for Jesus (that is, through faith in Him), we obtain the salvation of our souls. These are great words of joy for us Christians who indeed trust in Jesus for our salvation.

Yet, these words cap off a section where Peter talks about the trials and tribulations which are faced by all of God's people. Throughout such trials, Peter focuses our attention to Jesus through whom you have "an inheritance that is imperishable, undefiled, and unfading, kept in heaven for you" (1 Peter 1:4). Though we may lose everything in this world on account of our faith in Jesus, we have not lost *everything*, for we have Jesus, our Lord and Savior.

As we near the middle of the third decade of this millennium, such trials seem to be getting closer to us as God's people. We live in a post-Christian culture in 2024 in which the role of the Christian worldview has been reduced. (By "post-Christian," I mean that the Christian worldview is often no longer the primary worldview in the lives of most people. That is to say, Christian values and morals do not have as much weight in political and social discourse and are often secondary to ideals and mores that are secular in nature.) As we move further into this post-Christian culture – as the influence of the church continues to wane – we grasp hold and firmly cling to Jesus. Only in Jesus can we find true hope.

Yet, this post-Christian culture provides great opportunity for us as well. We no longer can assume that people know the Bible (or even who Jesus is). We have wonderful opportunities to share God's Word with those we meet in the various places God has placed us – in our homes, in our workplaces, in our communities. We share that message both in word and deed. As we love people through our deeds, may God grant us the opportunity to share also the words of His great love for all people in Jesus Christ.

PRESIDENT'S MESSAGE By Mike Nowling

We, as members of Peace, are grateful for the wonderful Easter service that we celebrated on March 31st. We are blessed to have Pastor Mann to lead us in our worship service each Easter and each day proclaiming, "Christ is risen! He is risen indeed! Alleluia!" We go out every day in our lives with hope and love because of what Our Savior, Jesus did for us.

Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age.

Matthew 28: 19-20

We are thankful for the wonderful music that our choir led by Gary Gerke provided for us on Easter and throughout the Lenten season. We have a very dedicated choir that inspires us with God's word in music. Music is a very important and meaningful part of our worship services at Peace. It is part of our tradition. The choir leads us by example in singing praises to God.

Praise the Lord, for the Lord is good; sing praise to his name, for that is pleasant.

Psalms 135:3

On Easter Sunday, Peace members were treated to a time of fellowship and love with breakfast after the sunrise service. This year once again, we had a joyous time together organized and provided by our Elders and Men at Peace. Fellowship unites us as one body in Christ.

But if we walk in the light, as he is in the light, we have fellowship with one another, and the blood of Jesus, his Son, purifies us from all sin. 1 John 1:7

PARISH HEALTH and WELLNESS

By Cheryl Erickson, RN, FNP-BC

May is Lupus Awareness Month

The Lupus Foundation of America estimates that 1.5 million Americans, and at least five million people worldwide, have a form of lupus. Ninety percent (90%) of people living with lupus are women. Most people with lupus develop the disease between the ages of 15-44. However, men, children, and teenagers develop lupus, too. People with lupus can experience significant symptoms, such as pain, extreme fatigue, hair loss, cognitive issues, and physical impairments that affect every facet of their lives. Many suffer from cardiovascular disease, strokes, disfiguring rashes, and painful joints. For others, there may be no visible symptoms.

There are four different forms of lupus.

- Systemic Lupus accounts for approximately 70 percent of all cases of lupus. In approximately half of these cases, a major organ or tissue in the body, such as the heart, lungs, kidneys, or brain will be affected.
- Cutaneous Lupus (affecting only the skin) accounts for approximately 10% of all lupus cases.
- Drug-induced Lupus accounts for about 10 % of all lupus cases and is caused by high doses of certain medications. The symptoms of drug induced lupus are similar to systemic lupus; however, symptoms usually subside when the medications are discontinued.
- Neonatal Lupus is a rare condition in which the mother's antibodies affect the fetus. At birth, the baby may have a skin rash, liver problems, or low blood cell counts, but these symptoms typically disappear completely after six months with no lasting effects.

Lupus is two to three times more prevalent among African American, Hispanic/Latina, Asian American, Native American, Alaska Native, Native Hawaiian and other Pacific Islander women than among White women. Recent research indicates that lupus affects 1 in 537 young African American women. The groundbreaking LUMINA (Lupus in Minority Populations: Nature vs. Nurture) study reported that African American lupus patients are more likely to have organ system involvement, more active disease, and lower levels of social support compared with White lupus patients.

Lupus symptoms

Because lupus can affect so many different parts of the body, it can cause a lot of different symptoms. And many people with lupus don't have all the symptoms. The most common lupus symptoms (which are the same for men and women) are:

- Extreme fatigue
- Pain or swelling in joints
- Swelling in the hands, feet, or around the eyes
- Headaches
- Low fevers
- Sensitivity to light
- Chest pain with deep breathing

PEACE LUTHERAN PRESCHOOL

By Barbara Bradtmueller, Preschool Director

Our Mission

Peace Lutheran Preschool exists to reach out with the Gospel and love of Jesus to young children and families in our congregation and community by providing excellence in early childhood education.

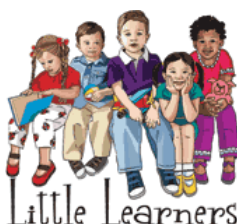

The preschool school year is winding down but there is still so much going on! On Wednesday, May 1st is the preschool spirit night at Chick-Fil-A at the W. Coliseum Blvd. location. Grab some delicious grub between 5:00-7:00 pm and support the preschool at the same time! Just let them know when you are placing your order and make sure that it goes to the right location – not the one in the mall.

The last day of school will be May 22nd and that is also the End-of-the-Year service for the preschool. We are looking forward to singing praises that we have learned throughout the school year and being a part of the Wednesday evening service at 6:30 pm. We invite all Prayer Angels to attend to see your preschooler one more time. Light refreshments will be served in the café after the service.

The children had the best time celebrating the Week of The Young Child. Music Monday, Tasty Tuesday, Wacky Wednesday, and Artsy Thursday. The younger children painted with colored pudding...some of it might have been eaten... The Pre-K children made a food face with a soft taco shell, cucumber circles, spaghetti, and green pepper slices and then ate them! Of course, the children love Wacky Wednesday because they can dress crazy but they also changed class rooms and did some activities differently. It was truly wacky! The giggles coming from the rooms says it all. It was a fun week!

Registrations for the fall are still coming in. If you know someone still looking for a preschool home, be sure to send them our way before we fill up! Contact Barb Bradtmueller at (260)456-6605. Registration forms are available in the church office, the Sharing Peace Café counter, and the preschool hallway.

LENTEN DINNERS REPORT By Caryl Spira

Lenten Suppers: Ministry Donations & A Big THANK YOU

Thank you to everyone who participated in this year's Lenten suppers. The menus for the six suppers were created around the entrées, side dishes, and desserts provided by 16 different members. A BIG **THANK YOU** to Nancy Becker, Barb Bradtmueller, Cheryl Erickson, Terry Gehring, Peggy Heingartner, Elaine King, Deb Lahrman, Pam Lehman, Mike Murphy, Val Nowling, Judy Parker, Danielle Ramsey, Becky Rutkowski, Saralyn Saylor, Caryl Spira and Ann White. What a group effort! An average of 46 people attended supper weekly, enjoying good food and fellowship before heading up to the Lenten service. **Editor's note:** *Thank you, Caryl, for coordinating these dinners!*

A Thrivent Action Grant was used to purchase the meat and condiments. That grant, along with the generosity of the cooks who volunteered and all who provided the side dishes, enabled us to direct **the entire amount** of the basket donations to Peace ministries. We received \$737 in total donations, divided between Pre-School \$161; Café Ministry \$97; LSUS \$98; Youth Gathering \$176; and Peace budget as needed \$105 and \$100. What a blessing!

ALTAR FLOWERS

We still need donors for altar flowers for this year. Check the calendar across from the office for available dates.

Cost of the flowers is \$30 and you can take them home after the Sunday service. Payment envelopes are under the chart and can be put in the collection plate.

WinGS - WOMEN IN GOD'S SERVICE

By Elaine King and Kasey Hapner

Over the many years Peace has been a congregation, The Women of Peace have come together for study, fellowship, and service. There have been many beautiful acts of ministry that the women of Peace have united for! It is a true legacy of faith and ministry!

Elaine King, who has chaired WinGS for many years, stepped down from this position in April 2024. Elaine has dedicated many hours of service to Peace. She has made sure that the group is self-sustaining and able to give generously both financially and physically to different areas of the church and other ministries connected to the church. We are very thankful for Elaine and her generous acts of service and sharing of her time, talent, and gifts with this congregation! THANK YOU ELAINE!

In April, the women gathered to discuss the next steps for WinGS. Since COVID, it has been more difficult to know the way forward and gauge what the women of the congregation are desiring. This meeting was led partially by Elaine King who passed the baton to Lizzy Hoham who will act as the new point of contact for future WinGS endeavors. Lizzy's two main goals for WinGS are to collaborate creatively and find new ways to serve the community at large.

What is the purpose of WinGS? The purpose of this group is to help each woman grow in her faith through Bible study, caring, service, and fellowship, enabling her to use her gifts to serve the Lord, church, community, and mission field.

Over the next few months we hope to provide more ways to connect our community of women here at Peace in study, caring, service, and fellowship. Stay tuned for more information in the church bulletin, Peacefully Yours and email notifications.

PASTOR'S MESSAGE

(Continued from page 1)

As we trust confidently in God to care for us and safely keep for us that eternal inheritance that He has prepared for us and that we by faith will receive, we go forth trusting in God to fill us with inexpressible joy, regardless of our circumstances. Thus we sing with Luther:

God's Word forever shall abide, No thanks to foes, who fear it;
For God Himself fights by our side With weapons of the Spirit.
Were they to take our house, goods, honor, child, or spouse,
Though life be wrenched away, They cannot win the day.
The Kingdom's ours forever!

Pastor Kevin Mann

PARISH HEALTH AND WELLNESS

(Continued from page 4)

Many people with lupus also have problems that affect their skin and hair, such as a butterfly-shaped rash on the cheeks and nose, hair loss, sores in the mouth or nose, and fingers or toes turning white or blue and feeling numb when a person is cold or stressed (Raynaud's disease). If you have these symptoms, it doesn't necessarily mean you have lupus, because lupus shares a lot of symptoms of other diseases, such as diabetes and arthritis. So if you have these common lupus symptoms, it's important to talk to your healthcare provider and find out whether you have lupus or a different health problem so you can get the treatment needed for you.

Stewardship

By Mark Muehl, Indiana District Representative, LCMS Foundation

"My congregation won't know what to do with a gift if I leave something from my estate." That is where the conversation turned between two friends having coffee one afternoon. The other responded, "I thought our Church had an endowment fund. Have you considered giving to that?" "I hate to admit it, but I really don't know what it is about. I've heard financial reports at congregational meetings, but it just seemed like numbers. It's my fault, but I have never investigated what that fund does."

This experience is quite common for many of us. Our world is so full of information that we have to decide about what we will consider and when we will consider it. It may be true that we haven't spent much time thinking about charitable gifting from our estates and so we have not paid much attention to something like our congregation's endowment fund, or future ministry fund.

So where do we start? Your LCMS Foundation Gift Planning Counselor is trained to assist you in creating a gift plan that blesses the family you love and the ministries you care about. Part of that work for gifting to ministry might be some research, identifying the proper recipient of a gift from your estate. Maybe your questions are similar to what others have already asked. Or maybe the Gift Planning Counselor knows exactly who to ask. For assistance, contact your Indiana District- LCMS gift counselor Mark Muehl (260-241-4845, mark.muehl@lfnd.org) to get the conversation started.
